

FREE Tutoring Services

OFFERED BY
THE R.O.C.K. COMMUNITY CENTER

The R.O.C.K., which stands for Reach Our Community Kids, is a local non-profit organization that provides a fun and safe place for local youth to hang out after school. We offer **free tutoring services** for children in elementary school, middle school, and high school. Our after-school program operates Monday through Friday from 3-6 p.m. Our tutors are local college students who earn work study hours by offering their services. Since their colleges pay their salaries, we are able to offer their services free of charge. Members of the Board at the R.O.C.K. supervise and train these tutors, in order to maintain excellent service to students from our local community.

The R.O.C.K. Community Center is located at **1597 Yosemite Drive**, down the street from Eagle Rock High School, where we have operated since 2001. In addition to our tutoring room, students are invited to use our Rec Room (also free of charge), complete with free wireless internet access, online computers, board games, and video games. Once again, supervision is provided by local college students through work study, who are trained by our Board.

The R.O.C.K. Coffee House shares our space at the R.O.C.K. Community Center. This social enterprise subsidizes our mission so we can remain self-sustaining as a non-profit, and allows us to offer job training to local youth. We'll be expanding our open hours soon, so plan to buy your coffee here and help support our cause!

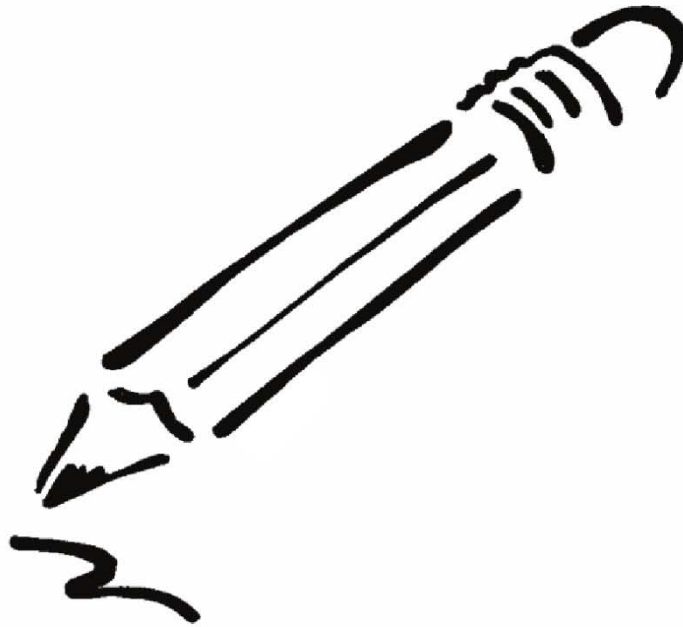

PARENTS & TEACHERS, please feel free to send your students our way!

Please call us at (323) 257-6102 with any questions you have concerning our program. We'd love to hear from you! Website: www.therockcommunity.org

Mr. Art Galvan, R.O.C.K. Board Secretary, Tutoring Supervisor
